Dear Tony,

On behalf of Collin College and the Collin College Foundation, I want to express my sincere appreciation for your part in making MONOPOLY® Madness a huge success. This year's event entertained 350 guests from throughout the county and raised more than \$200,000, the most of any fundraiser in the history of Collin College. More importantly, this money will allow an increase in student scholarship awards, which will profoundly impact the lives of the student recipients and pave the way for making their dreams come true.

The Superior One Transportation gift certificate was awarded as a prize to one of the top MONOPOLY® winners. No doubt this lucky winner will be excited to take advantage of your special transportation offering. Superior One Transportation was recognized from the podium by Cary Israel, President of Collin College, and in the event program.

Superior One Transportation is a valued community partner. We are grateful for your support of higher education and your commitment to invest in those who will shape our future.

Sincerely,

Judy Cordell

Special Events Coordinator
