Dear Friends:

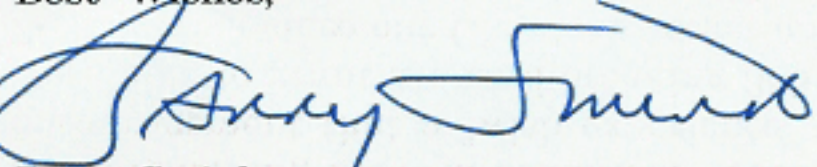

"These priceless memories my family and I will remember and cherish for years and years to come." Wish Child - Webster

Thank you for your support of the Make-A-Wish Foundation® of North Texas! Your very special in-kind gift of a four hour limo service for our Wish Night 2007 is important, for it helps us as we make dreams come true every day for very special children. Children are energized by a wish. They can anticipate, describe, imagine, plan and eventually celebrate in its fruition. A wish is a moment of joy, fantasy and laughter in the midst of a much darker time in the child's life and in the life of the entire family.

Each year in our 106-county area there are many children who are diagnosed with a life-threatening medical condition. These are children who need the joy and the encouragement that a "wish experience" provides in a unique way. Last year we were able to grant a record-breaking 355 wishes for children. We also granted our 3000th wish since our Chapter's inception and we are sure to be able to reach more than 365 children and their families this year. Through our strong and dedicated in-kind supporters we are able to stretch every cash dollar we receive to fulfill each child's wish.

Making dreams come true and wishes a reality requires substantial commitments. Thank you for your gift and for your role in making wishes a reality for special children.

Best "Wishes,"

Barry Smink
